My dear Laura,

Again I want to thank you most warmly for the gift of books which you made to St. John's library. The sets of Ruskin and Victor Hugo are most welcome. They make a handsome addition to our collection.

I was delighted to share your good news about the book. We will look forward to it's publication, a year hence, with keen anticipation. Perhaps between now and then we can persuade you to put on a show of your photographs here in the Student Center.

With warm good wishes, I am

Most sincerely,

President
