Miss Laura Gilpin
P.O. Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin:

One of our clients is anxious to obtain as quickly as possible illustrative material, both in color and black and white, for a forthcoming book on Mexican art and architecture.

I'm enclosing a list that you can use as a guide; as you can see, our client is most specific. Do you think you can mail us some of your photographs? We are looking forward to hearing from you.

Very truly yours

Janet White.
