

2 March 1967

Dear Laura:

Bill Kight returned with your photograph, and it is gorgeous. I'm sure it will be the best thing in the exhibition. The only remaining problem is to finish the confounded museum--it may be the death of me yet.

Your invoice is being processed, and you should receive a check in the near future.

Hope your trip to Arizona proves successful, and we will see you soon at the opening.

warmest regards

G. F. Crabtree
