Mr. J.O. Hoffman;-

Dear Mr. Hoffman:-

Enclosed please find one 8x10 negative and print of same for a very large mural for the Institute of American Indian Art Exhibit to be held in Washington D.C. in May.

The gentleman in charge of the exhibit wants this to be an 8 x 10 foot mural. It will be trimmed to a lunette when it is put in place, so that defects in the upper corners will not need spotting. Otherwise I think the negative is clean.

This needs to be on a surface G paper. Will you please make this and send the unmounted print to

THIS MUST REACH WASHINGTON BY MAY 5th.

Send the bill to me and I will forward it along with that for other work I have done for this exhibit. Also please return the negative to me and note that my mail address is now changed to my residence.

Later I will have some big enlargements to be done for a show of my own for the Amon Carter Museum in Fort Worth, Texas.

Very truly yours

JULIUS G. HOFFMAN
