Dear Sirs:-

It seems to me that the 16x20 Seal
Dry Mounting Press I ordered last November (?)
is long past due. You told me delivery in
90 days. I need it badly.

Very truly yours,

P.S. Will you please let me know what firms
make 2 $\frac{1}{2}$ x3 $\frac{1}{4}$ film packs comparable to Kodak
Plus X Pan which has been discontinued. Does
Agfa, Gaevert, who? Thanks
