MrWalter Steuer:-

Thank you for your letter regarding my S.E.I. meter. I am sending you under separate cover my meter so that you can check it and repair if necessary. You will find another scale around the meter which I use in connection with my Weston meter for use with the Zone system. (Very useful).

Yes, I would like the new cards put on my meter. Let me know repair charges etc. and I will send you a check immediately.

Very truly yours,
