Dear Miss Gilpin:

I'm happy to tell you your application to convert your policy to our Guaranteed Renewable Policy has been approved.

Our Policy Department is issuing your new policy. It will be sent soon.

The premiums were paid to December 1. We made the change August 1.

Our agent collected \$34.35. He should have collected \$64.93. So I've asked him to collect the balance from you.

Policyholders Service means just what the name says. Any time we can help you, please write.
