Dear Miss Gilpin:

This is in reply to your letter of May 11 with which you enclosed your statement for the photographic work for the San Ildefonso exhibition. We are processing the purchase order which will be sent to the Bureau's Office of Consolidated Services in Albuquerque for payment. You will receive payment in the form of a Government check.

We certainly appreciate all that you did to help with this exhibition. The photography is beautiful and the photomural adds so much. It was so great to have Maria, Po and Tony here for this week. Mrs. Udall arranged a wonderful schedule for them. They were entertained at a luncheon on Capitol Hill by Senator Anderson to which he invited the entire New Mexico congressional delegation. The Bureau of Indian Affairs is having a reception for them this afternoon and Mrs. Johnson is receiving them at the White House this evening. We are taking them to see a musical on Friday night, and Saturday will be devoted to sightseeing. Secretary and Mrs. Udall are having them to their house for dinner on Friday prior to our going to the theater. They will return to Santa Fe on Sunday.

Jim is returning to Santa Fe via Expo 67. I believe he is going directly from Montreal to Santa Fe on Sunday. We always enjoy having him here and working with him on our various art projects.

We are looking forward to having your retrospective show her some-time in 1968.

I hope it won't be too long before you get your check. We will ask that it be expedited as soon as possible.

With kindest regards, I am

Sincerely yours,

Edna H. Massey
