Dear Miss Gilpin:

Enclosed you will find the four lovely color transparencies which you sent to us for our color story on Western Weekend.

Our treasurer is mailing you a check in a separate envelope which you should receive in a few days.

Mr. Fred Stevens Jr. - the Navajo sandpainter that visited our celebration was one of the greatest attractions to our record crowd of 65,000 people. It is truly a beautiful art and I hope I will be able to visit your part of the world some day soon to see more and learn more of this ancient art.

Thank you so very much for sending us these marvelous photographs - we are very grateful to you and the museum for allowing us to use them.

Cordially,

Ann Trumbull
Executive Director

P.S. Do let me know when your book is printed - I would like to purchase a copy.
