Dear Miss Gilpin -

I am new to the state and through your ad in the handbook "Indians of the Southwest", discovered you sold books on the Southwest. Would you perhaps have a book-list on these books about the area? I would appreciate one and I am particularly interested in the Indian arts and crafts in New Mexico. Also please let me know if you accept mail orders and if so advise me on procedure. Anxiously waiting to hear from you.

Sincerely,
Mrs. D. A. Cohen
