Dear Miss Gilpin:

Enclosed is a check for \$55.00 for your pictures that appear in our new Southwestern Indian Tribes book. Enclosed also please find a copy of this new publication.

The above amount is for 2 black and white photographs at \$15.00 each and one color photograph at \$25.00. Along with the check and book your photographs are being returned at this time. Thank you very much for your cooperation on this project. The complexities of the book necessitated it being delayed longer than we had planned but we feel the final product will prove to be worth the wait for our many readers.

Sincerely,

KC DeLoe
