PRINTS BY CREATIVE PHOTOGRAPHERS

HOURS: 11-5; SUNDAY, 1-5; CLOSED MONDAY

March 8, 1968

Dear Laura:

I sold "Church at Cundiyo" yesterday and enclose check for it.

Bob has gone to Colorado in my car or I would pick this coming Monday to come to Santa Fe. As it is, I will plan to come the next Monday, the 18th.

I would like to "refresh" my collection of your prints, as I feel others might sell more readily than some I have. This particular customer, for instance, would have liked to see more of N. M. landscapes--which I find true of several.

It might save us some time if you will pull out a few: I especially need more (actually many, which I can return after he makes his selection) of Yucatan. He bought the Temple of the Dwarfs; and the Detail of the Temple; and wants to choose another.

I also want another, or two, of "Little Navajo Shepherd" (the one I gave Ted and Kathy for an engagement present is hanging over my husband's bureau till the return of the young ones from their two years in Bolivia with the Peace Corps.)

Do you, for instance, have a \$35.00 size of the Storm Over the Rio Grande?

By now, from experience with customers' reactions, I'm sure I could make a new selection of prints which might move faster than some I now have; so, with your permission, I will plan to come up to do this on that day....will also bring the to-be-returned items from the untouched-yet stack I bought from you last Fall.

Sincerely,
