Dear Madam:

I am writing in reference to your photograph of the Great Plains, which Henderson Shuffler informs me, you have offered for use as a photomural at the Institute of Texan Cultures, San Antonio.

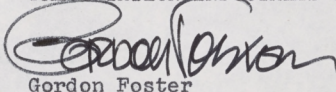

We, at Presentation Industries, are the fabricators of all exhibit material used in the Institute of Texan Cultures building and will be responsible for the processing and mounting of the photomural. This mural is to be applied to two wall panels; one on each side of a building door. The left panel will be 21 feet wide and 5 feet high. The right panel will be 42 feet wide and 5 feet high.

It is our understanding you will forward an 8 x 10 inch negative to us, from which we will process the photomural and return the negative directly to you.

I shall anticipate receiving the negative at your earliest convenience, and at this time, wish to thank you for your generosity and help with this project.

Sincerely,

PRESENTATION INDUSTRIES INC.
