

Mr. Ned Hatathli,
Navaho Community College,
Many Farms Rural Post Office,
Chinle, Arizona.

Dear Ned:-

Thank you so much for your letter. It pleases me more than I can say to know that you like the book. Such a letter as yours makes me happy beyond measure, for I have a very warm feeling for The Dineh. I am sending a copy of your letter to the Director of the University of Texas Press. I know that he will be pleased also.

I am sending you and your family an invitation to the opening of the exhibition of prints of most of the work in the book at the Amon Carter Museum in Fort Worth. That is a long way away from Many Farms, but it would be wonderful if you could come. Mr. Mitchell Wilder, the Director of the Museum is a past master at presenting an exhibition, and I am looking forward to seeing what he does with it. Mr. Wardlaw, Director of the Texas University Press will be there. It would be nice for you to meet them and for them to know you.

I note with glee that you are spelling the name of the College with an "h". Sometime I will tell you the funny times I have had over the spelling of Navaho.

Again my grateful thanks and my greetings to Mrs. Hatathli and Gloria.
