Dear Miss Homer:-

Please proceed with making the copies of the little proofs. No negatives have yet shown up, and I am now realizing that the 35mm negatives are also missing. I just don't know how this can be, but there it is.

The order for prints is on the back of the proofs. As I recall there were to be 2 8x10 prints of the close up, 4 5x7 and 8 candids of this one, and 2 5x7 of the other group. Please check the back of the proofs.

I enclose my check for \$50. on account. I am sending you other work next week.

Thanking you

Sincerely yours

P.S. Did I ask you if you still have the matrices of the third large dye transfer you did so long ago? I shall be wanting one or two prints of this one. I don't know what the size is.
