Dear Martin Link:-

In a day or two I will be sending you a poster for my book. It is coming along very well and the latest word that I have had is that it will be out in early November.

The statistics about the book are as follows:-

256 pages
more than 200 black & white photographs
21 color plates.
University of Texas Press, Austin, Texas.
Publishers.
About 100,000 word text.
Price \$17.50

I hope that you may pick up a few advance sales, and many more when the book is finally out. The sales manager, Mr. Robert Husspeth may call on you very soon. He is due here shortly and I hope he will make a trip out your way and down to Phoenix and Tucson. In the meantime if there is anything I can do, just let me know. I am working very hard to prepare a big exhibition of prints from the book to open at the Amon Carter Museum on Dec. 12. I am still on crutches but able to do dark room work.

Best wishes for a good Fair,

Very Sincerely
