Gentlemen:-

Some years ago you covered two books of mine, THE RIO GRANDE, RIVER OF DESTINY, AND TEMPLES IN YUCATAN. I have only just been able to locate your address. I enclose \$25. on account for coverage on my new book THE ENDURING NAVAHO, University of Texas Press, Austin, Texas. The book was published Nov. 20th and reviews should be beginning to come in.

Of course I have reviews from the local press, but I hope this new book will be wide spread. I do not know your present rates, and I will appreciate hearing from you. In the mean time please put me on your list.

Thanking you for past service, I am

Very truly yours,
