

Mrs. McFarlane

Jim relates he asked for the 500 you sent to come from the purchase fund. We have talked about this and have agreed it should come from the 3000 exhibition costs fund. If you can, please make note that the 500 is to come from this exhibit fund rather than purchase.

Also, Jim says he has a student for me ~~then~~ now. That I need very badly in my work for the show. a Dennis Stover from the Institute. Can I proceed to have him in with me as soon as possible? How we will we pay him for his time. Jim highly recommends him.
