The Board of Managers
School of American Research
Santa Fe, New Mexico

Dear Fellow Board Members:

May I express my appreciation to the entire Board of Managers of the School of American Research for awarding me a life membership in the organization. What little I have done to benefit the Indian Arts Fund, has been all too scant and intermittent, but it has been done with a most sincere interest in the collection and the Indian People who produced it.

It has been a great pleasure and stimulation to be associated with the School and all its activities, and I am pleased beyond measure to continue this association.

Gratefully and sincerely
