Dear Miss Gilpin:

We have selected two of your photographs to appear in Mr. Owings' book, "The American Aesthetic", which is being published by Harper and Row and will be released in January, 1969.

The two black and white photographs are the following:

- 1) Doorway at Pueblo Bonito, Chaco Canyon.
- 2) Air Force Academy Chapel at Colorado Springs, Colorado.

Would you please send your invoice for the above mentioned photographs to my attention.

Thank you for your cooperation.

Sincerely,
