Miss Laura Gilpin
409 Camino Del Monte Sol
Santa Fe, New Mexico 87501

Dear Miss Gilpin:

We shall enter your order for the Ektacolor prints
made from internegatives of your proof prints.

We do have the matrices of the "Navaho Spinner" in size
approximately 20x24. This perhaps is the dye transfer
subject to which you refer. The CCA Lab # is 4276-9.

Yours very truly,

Louise Houser
