Dear Miss Gilpin:

It is great to hear from you again and I acknowledge receipt of your letter of 23 February together with the photographs which are a cross section of prints that will be used in your forthcoming book. We are going to make some finished proofs from these in accordance with the specifications from the University of Texas Press. I can assure you we are going to do our best to give you the quality that you want. We will put the proofs through just as quickly as possible and they will be forwarded to you from Mr. Wardlaw.

I send you greetings from Parker Allen and me.

With best wishes,
