Dear Miss Helpin:

I thank you for your note; When you get around to painting the pictures I need, within the next month or so, that will be fine.

I am looking forward to your next book.

I have so thoroughly enjoyed your The Rio Grande, which I am again reading for the 11th time, sorry I did not get The Pueblos and Temples in Yucatan.

If you have any information on the people who built the houses, I mentioned, other than what appears in Old Santa Fe Today I should be happy to have it.

Thanking you and with best regards
I am sincerely

Sytha Motto
