Dear Miss Gilpin:

Margaret and I received the autographed copy of The Enduring Navaho and are thrilled with it. You have done a marvelous job with both pictures and text.

We can buy the book here but want another copy autographed by you to send to Rutherford Harris of Cleveland, brother of my daughter-in-law, Mary Harris Roberts.

I do not know as you remember him but he knows you and a great admirer. Their father was J.T.Harris of Denver, a close friend of Arthur Fisher, Denver Architect.

We were with Rutherford last week-end in Phoenix where we went to attend my son's funeral. Rutherford was greatly interested in hearing from us about your new book so I thought it would be nice to send him a copy, appropriately ^{autographed} by you for him.

Do you suggest that I order it shipped to Mr. Harris by Mrs. Webb at Paper Book Gallery in Santa Fe or do you want to furnish it and ship? If so advise the price and I'll send you check along with shipping address.

Margaret joins me in REGARDS and SEASONS GREETINGS.

Very sincerely,

Edward L. Roberts.
