Congratulations on such
an achievement. Am
so looking forward to
it -

We are now in Death
Valley camped on a
hill side thoroughly enjoying
the sun after the wet of
the Oregon coast which
we also love - Have had
an excellent-productive
summer -

Dear Laura & Betsey - [1968?]

We are thrilled
that some one just
happened to send us a
copy of the N. Mexican with
your write-up in it -

Have sent for copy
of the 'Enduring Navaho'
from the Paper Book gallery
& hope they still have
an auto graphed one left.
