Dear Miss Gilpin:

Last month Mr. Wilder mentioned to me that you were seeking an evaluation on Hartley Burr Alexander's portfolio, "Pueblo Indian Painting," and asked that I send you any information I could find. Since it is a relatively rare item, it was rather difficult to trace, but I finally received a letter from a book dealer, Fred Rosenstock of Denver, who said he believed that a good copy would be worth approximately \$250.

I hope this information will be useful to you, and that you will call on us again for any assistance we can offer.

Sincerely yours,

Nancy Wynne
