Dear Miss Gilpin:

Mr. Wilder told me this morning that he had received a letter from you about the Pueblo Indian Painting portfolio, which I had written you about just a few days ago.

We are most anxious to acquire your copy of this item for the museum library, but I find myself in something of a dilemma, being short of acquisition funds for the remainder of this budget period, which ends September 30, I bought some rather expensive materials early in the period, and am now feeling a very real pinch.

I would like to know what price you are asking for the portfolio, and if you would be willing to wait the three months for payment?

Looking forward to hearing from you about this matter, I remain

Sincerely yours,

Nancy G. Wynne
