

August 10, 1969

Dear Laura Gilpin,

This is the magazine
we heard had reference
to your book.

I do not understand
the grade level this
periodical was attracting,
but was in a school
library. It does not need
to be returned.

The review was well
treated for being a product
of the East! So more
people think well of your
book than you realize.

Sincerely

Bertha Bourne

Mildred Beardsley
