Dear Mrs. Gelpin,

My name is Becky Brantner.
I am reading your book, The Enduring
~~#~~ Navajo, and I thought I'd write
and tell you that I have never read
a more interesting book. I am greatly
interested in Indian lore. I am part
Cherokee.

I am writing a man in Michigan
who is trying to get a project started
which will enable Indians of all
tribes to correspond with each
other. He is doing a pretty good job,
but he needs all the names he
can get.

At present, most of my prospects

are Navajo. If you know of any Indians where you live who would be interested in this project, could you please send me their names. He also ~~is~~ wants to give non-Indians a chance to correspond, and perhaps gain more understanding of the Indians. He is working very hard to get this deal started, and I know that any ~~help~~ help you could give would be appreciated.

Inclosing, let me say that I do hope you know of someone who is interested.

Sincerely,
Becky Brantner
