Dear Miss Gilpin:

We have your letter of June 23rd regarding the purchase of casters for your Majestic Tripod. We would be more than willing to sell you either our 2" casters as used on the Husky Dolly or the 4" casters as used on our Samson Dolly. This would, however, in either case leave you with a problem as to correct and secure mounting into your particular tripod.

As an alternate we would suggest that you consider the purchase of either of these two complete dollies, both of which should be able to handle a Majestic Tripod, although the Samson will do a much better job.

#11000 Husky IV Dolly \$27.00

#7601 Samson Dolly \$47.00

Very truly yours,

QUICK-SET, INC.
