Dear Laura:

You gave me so much
pleasure by your visit - and I
hope your trip home was an easy
one - The happy memories linger
on in the beautiful cyclamen -
new blossoms every day! And
in my supply of Kents! Thank you
for everything. The Gazette article
and picture are good - & the
exhibit is getting favorable comments
everywhere - people really like it -
I hope all went well with

Betty - & that you liked this
merry home - Do give her my
best - And, remember, I will
have a bed for you when you
come up after Christmas.

Eddie Jackson is coming
for a night or two, tomorrow, for
some College songs - She is
so sorry not to have seen
you - I wish we could have
managed to get her here while
you were here - We are about
to have another snow storm -
This seems to be our year for them -
I'm glad we had the one good
day in the mountains with Sally -

The "Boys" lunched yesterday
at the Bonar Tavern - Nash file
joined us, and was as cross as
a bear - especially as Charlotte
made him have a hair cut!

On Sunday I watched that
wonderful "Good Time Charlie", &
thought of you - I hope you saw
him as he went back to his
native life -

With much love to you
from
Agnes -
