

Dear Miss Gilpin,

A year or so ago I saw
you interviewed on television
and enjoyed it very much.
Because of that program I am
planning to give a book review
on the The Enduring Narajo
the 30th of September, here in
Carlsbad, N. M. I would like
to ask you for any aide
you might be able to give
me. I realize this is a
weagen request but it is
sincere. At the present, I
have The Rio Grande checked

out of our local library.

Thanking you in advance,
I am,

Sincerely yours.

Lo Dow
