Dear Miss Gilpin,

Thank you for your letter and all the photographs. Mr. Deschin returned those you sent to him to me. He said they are lovely for magazine reproduction but too dark for newspaper. So he was sorry (after all that flurry!) not to be able to use a photo. But some review should appear this Sunday or next. He does look forward to meeting you if you make it up and I promised to let him know as soon as I do.

We expect some other press this week and NBC-TV is planning to tape a feature story on Friday for the 6 P.M. news. I hate to mention things ahead of time as so much never works out!

I am returning photos of photos that we did not include in the exhibit, as you might need them for Washington.

All best wishes again,

Oriole Farb
