Dear Laura,

We hope all is going well with you and that the exhibit is well received in every way.

We would like to order a print of your photograph of Harrison Begay for future exhibition purposes (8x10, not mounted in any way and with no border). Our American Indian painting collection will be borrowed occasionally and your portrait of Begay will make a fourth artist we have.

For the Museum's Permanent Photography Collection, we would like an exhibition print, size 11x14, of your photograph of Francis Nikai and Family (the final photo in "The Enduring Navaho"). Please do not mount this print either.

The photograph will make a fine addition to our collection and will also serve as a fond remembrance of your exhibit.

With fondest regards,

(Oriole Farb)
