Mr. Fred S. Bartlett, Director
Colorado Springs Fine Arts Center
West Dale Street
Colorado Springs, Colorado

Dear Fred:

Thank you very much for loaning me the San Cristobal negative. It has gone out to Mr. Welcher in San Francisco, who will make a 40 x 60 enlargement of it.

The Fort Worth show of the Navaho material is to go on to the Riverside Museum in New York, to open there on February 23rd. It will be there until the 1st of June. When you have time to work out your schedule for the rest of the year, do let me know. I would like you to have it before it gets worn and soiled, which can so easily happen, though I have gone to great trouble to protect the prints with some simple folders which prevent scratching in transit. I am glad that you want it, and I would be most happy to have it in Colorado Springs.

My very best wishes to all of you.

Sincerely,

Laura Gilpin
