Dear Father Mower:

I hope you will forgive me for being so long in answering your kind note. It came shortly before I left for a trip to Fort Worth and Austin, Texas, and since my return I seem to have been extremely busy.

I have heard much about you from Mrs. Eliseo Rodriguez, who is a wonderful housekeeper for my friend, Miss Forster, and myself. I hope that someday I may have the pleasure of meeting you. Please feel free anytime that you are free to drop by. You would be very welcome.

Sincerely,

Laura Gilpin
