Dear Dr. Heard:

I do remember meeting you the evening of the opening of my show in Fort Worth, and I am very pleased to hear from you. I will be most happy indeed to autograph the books for you, if you will send them over. Be sure to insure them, because a similar request recently has gone astray that were not insured. It will be nice to have two of these go to teachers on the reservation. I hope that the book will be liked by the Navaho children, as well as their teachers.

With best wishes to you, I am

Sincerely,

Laura Gilpin
