Dear Harold:-

How nice to hear from you! I have often wondered where you were and what you were doing. Do you sell furniture in your shop? I have one piece, you might be interested in.

Indeed you may have a Gish picture. There are several. The whole figure by the Central City curtain, a large head, one or two three quarter length portraits. I would be delighted to make one for you. I have made one exhibition 16x20 of the curtain picture and it works up very well indeed. Then I can make 8x10 contact prints of the others or enlarge any of them to 11x14 or 16x20. Prices are \$55, \$45, and 25. respectively. Mounted and ready to frame.

Sorry to be so long in answering your letter, but I am in the midst of preparing a big show, and as I am on crutches these days with a bad hip, I am very slow about everything.

I am sending you undersseparate cover an announcement of my Navaho book which was published just before Christmas last year. Many years of hard work went into this, and I am relieved that it is done at last. Mitch gave me a big show of much of the material in it at Port Worth last December. It was at the Riverside Museum in N.Y. from Feb. to June. Sorry I didn't know where you were so that I could have sent you a notice about it.

With best wishes and hoping to hear further from you

Most sincerely

Did you see Lillian on TV several times recently about her book?
