Mrs. Dallas Johnson, Director
Save The Children Federation,
Albuquerque, New Mexico

Dear Mrs. Johnson:-

Thank you very much indeed for your kind letter of the 22nd. I am very happy that you like my "Enduring Navaho". It represents many years of work, but also of great interest and enjoyment. Changes are coming so fast now that before long all of this record will be but a memory in the minds of many Navaho People. I am thankful that I came along when I did to record many things which are already gone.

Due to the fact that I am on crutches with a bad hip, I haven't been over to the reservation for more than three years, but I hope to go later this summer. From all I hear I will find many changes. And I thank you for recommendation to others, and I hope that there will be many who will find interest in the book.

If you are ever in Santa Fe, do drop around, I should be happy to see you.
With kindest regards,

Sincerely yours,
