Dear Mr. Keister:

I have your surprising letter of April 25th and I am sorry to be so long in answering, but I was away for a week and am just catching up.

I am not very happy about having pictures copied like this and while the exhibition of my original prints is in circuit, I would prefer that you do not do this. These pictures, of course, are all copyrighted and I would definitely prefer that similar things would not be done. I hope this does not disappoint you too much, but this is the way I feel about it.

Thanking you for your inquiry, I am

Very truly yours,

Laura Gilpin
