Mrs. Dorothy McFarlane,
Departemnt of the Interior Room 5129
Washington, D.C, 20240

Dear Mrs. McFarlane:-

Not having heard anything from either you or Mrs. Udall regarding the outstanding bills on the exhibition, I am sending my personal check to-day to the Color Corporation of America to close that account in full. The remaing acct with the General Graphic Services, I hope can be settled soon. If you will send me the balance of the purchase fund (\$2000.00) I will pay this remaining bill out of that money until the time comes when we can get this all straighten out.

I imagine that Mrs. Udall is off on a summer trip, and you may also either be away or have been away. Just as soon as we know where the exhibition will be shown, I will send the prints which await packing. Jim McGrath will be home in three weeks or so, and I hope then we can go over the final selection of the prints.

With kind regards,

Very truly yours,
