Dear Mr. Shalkop:-

Sorry to be slow in answering your letter about my Navaho show. I have been waiting to hear from Oklahoma City where it will be shown this fall. I still havent gotten firm dates, but I hope it will be closed there by the last week in October. I have just written requesting dates, so that I can let you know immediately. I do not know how long they want to have the show. If I dont hear within a few days I will telephone to find out. As I won an award from the Wester Heritage Center last month, and they want to hang the show, I am pretty well committed there. I had hoped they would take ot earlier as it closes in New York June first and I have nto found anyone on the way back for the summer months.

I know you want to make your own plans and if you would prefer a later date, just name it. But I should hear from the Heritage Center in a few days.

My greetings to Fred and any old friends who are still around,

Sincerely yours,
