Mr. Irwin Welcher,
880 Pilsom St.
San Francisco, Calif.

Dear Mr. Welcher:-

Enclosed please find my 5x7 negative of the Rio Grande, from which you made a 40x60" print last year. The one you made previously has gotten damaged. The Museum of Albuquerque has just had another request for the show from the Border Commission in El Paso, so it will be going down there shortly. We do want another print. 40" wide by proportionate height. you probably have a record of it. The lettering you printed with the negative is attached thereto.

Will you please print this as soon as possible and ship it unmounted, to

Mr. Frank Crabtree, Director
Museum of Albuquerque, New Mexico.

With thanks,

Sincerely
