Santa Fe, New Mexico 87501

Dear Mrs. Gilpin:

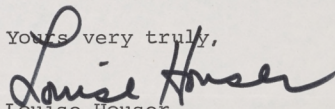

We have received your original material along with the
4 color prints you wish remade.

We have evaluated the amount of time, effort, and cost
expended to try to satisfy your requirements from your
particular originals and find that it is very unprofitable
business for us.

We have entered the prints into the lab for remaking,
however, we must inform you that we shall from this day
forward have to charge you for Repro-Quality Ektacolor
prints from your subject matter (see Page 1 of our catalog
for prices).

We cannot continue to supply your exacting requirements
at the prices on Page 6.

Yours very truly,

Louise Houser
