Miss Laura Gilpin
Santa Fe, New Mexico

Dear Laura,

After so many years I again address you and it recalls only the pleasantest of memories of Colorado Springs and the Fine Arts Center.

I have lived in and around New York since returning from The World War II and have a most beautiful situation here. Recently I acquired a lovely bit of land in south-western New Mexico, around Las Cruces where my mother lives. Perhaps in future I will be spending more time out there.

My reason for writing is to inquire if it would be possible to purchase one of the very beautiful photographs you took of Miss Lillian Gish during the time of her performance in Camille in Central City. Miss Gish has long been one of my favorite people and I can never forget those beautiful photographs you took.

Thank you for your kind attention to my request and with every kind thought for you.

Harold.
