Dear Miss Gilpin:

The enclosed check of \$60.00 is for the following two photographs:

(Both from "The Enduring Navaho")

1. The summer hogan of Old Lady Long Salt -- pps. 70-71
print size 11x14
2. Francis Nikai and Family - pg. 249. print size 8x10

These have been purchased by Joshua P. Smith, 211 East 53rd Street, Apt. 2B, New York , New York 10022. Mr. Smith would like you to sign each print and suggests that you leave a 1/2" border around each print and sign on the border. Could you please oblige this request.

As for the exhibit, "The Enduring Navaho," we checked through on the shipment and Emory Air Frieght had sent out tracers immediately but couldn't find it. We are hoping the crates have been found by now.

Sincerely,

Yvonne J. Kalmus
Executive Secretary
