Dear Miss Gilpin,

Thank you very much for your letter. I have forwarded a copy of your letter to our headquarters in Basel and I hope to get an answer within the next three weeks.

At first we hoped to find existing photographs among which we could select the one for the campaign. But in the meantime I have realized that this is almost impossible. Your suggestion is certainly much better and will assure us of the proper subject. I certainly appreciate your cooperation very much.

With best regards,

Sincerely yours,
