Dear Laura,

It is with much regrets that I must inform you of our move from Colorado Springs. Bill took a new position here in Austin and we moved August 1.

I was so looking forward to having you and your art in the Springs. I am giving your name and address to the art committee at The Broadmoor Community Church. They just had a show for Jim McGrath and Tom Dickerson. It is with my greatest hopes that they will carry through. You just must

have a show in Colorado. We
are most sorry we won't be there
to do it for you.

I do hope you and your
friend are in good health.

Sincerely,
Shirley McIntosh
