hanna dear:

the book is perfectly beautiful and i'm so proud of it and of you. thank you very much for having Village send it to me. i love the autograph, and the darling picture of you on the dust jacket.

By good fortune my brother, John Kemp, was visiting me, and he was as delighted when your book came as i was. He remembered grandfather speaking of your father with great affection and devotion. And of course i told him of the happy days i had had with you that lovely autumn.

hanna, the book is a tremendous triumph, and well worth waiting for. It is a significant contribution and will certainly be recognized as such. You have produced a true masterpiece.

Congratulations, and much, much love from your admiring,
Marnie
