

DESMOND O'HARA
121 Franklin Street
Concord, New Hampshire 03301

Dearest Laura - August 19, 1969

He may be lost, but
you know better than most
what a rich legacy in picture
he has left. Besides that
you and I have our
own personal memories.

Brenda is paid as you
judged from the phone. She
is progressively more forgetful, but
she has had a happy summer
and we have her well supported

with a local bank to take the
bill paying off her mind and
a fine appreciative widow
to live with her.

I do so hope you
can come East soon so
she can bask in really
knowing and enjoying your
company.

We are all fine at Moore
Rocks. Ten days before we
lost Elsie we gained by
adoption a Shirley Frances
O'Hara so we are happy
and busy.

Fondly,
Desmond

Mr. and Mrs. Desmond O'Hara

are happy to announce

the adoption of

Shirley Frances
